Supplies:

- Rocks
- [Acrylic Paint Pens](#) or Acrylic Paint
- [Clear Coat](#) (to seal paint)
- Paint brushes
- A Brick or Paver (for sign)
- Permanent Marker

Steps:

1. Clean rocks
2. Use the permanent marker to make your sign. We use:
 - Please Help this Hungry Caterpillar. Add a rock and watch him grow!
3. Paint your rocks with pictures, designs, or positive message.
 - Don't forget to make one that looks like a caterpillar to be the first rock you add.
4. Once dried, paint a clear coat on top of the paint to seal everything
5. Once dried, find the perfect spot at your favorite park or school to add your caterpillar.
 - Try to put it on dirt or cement so it doesn't have to be moved to cut the grass
